FIRE COLLECTION

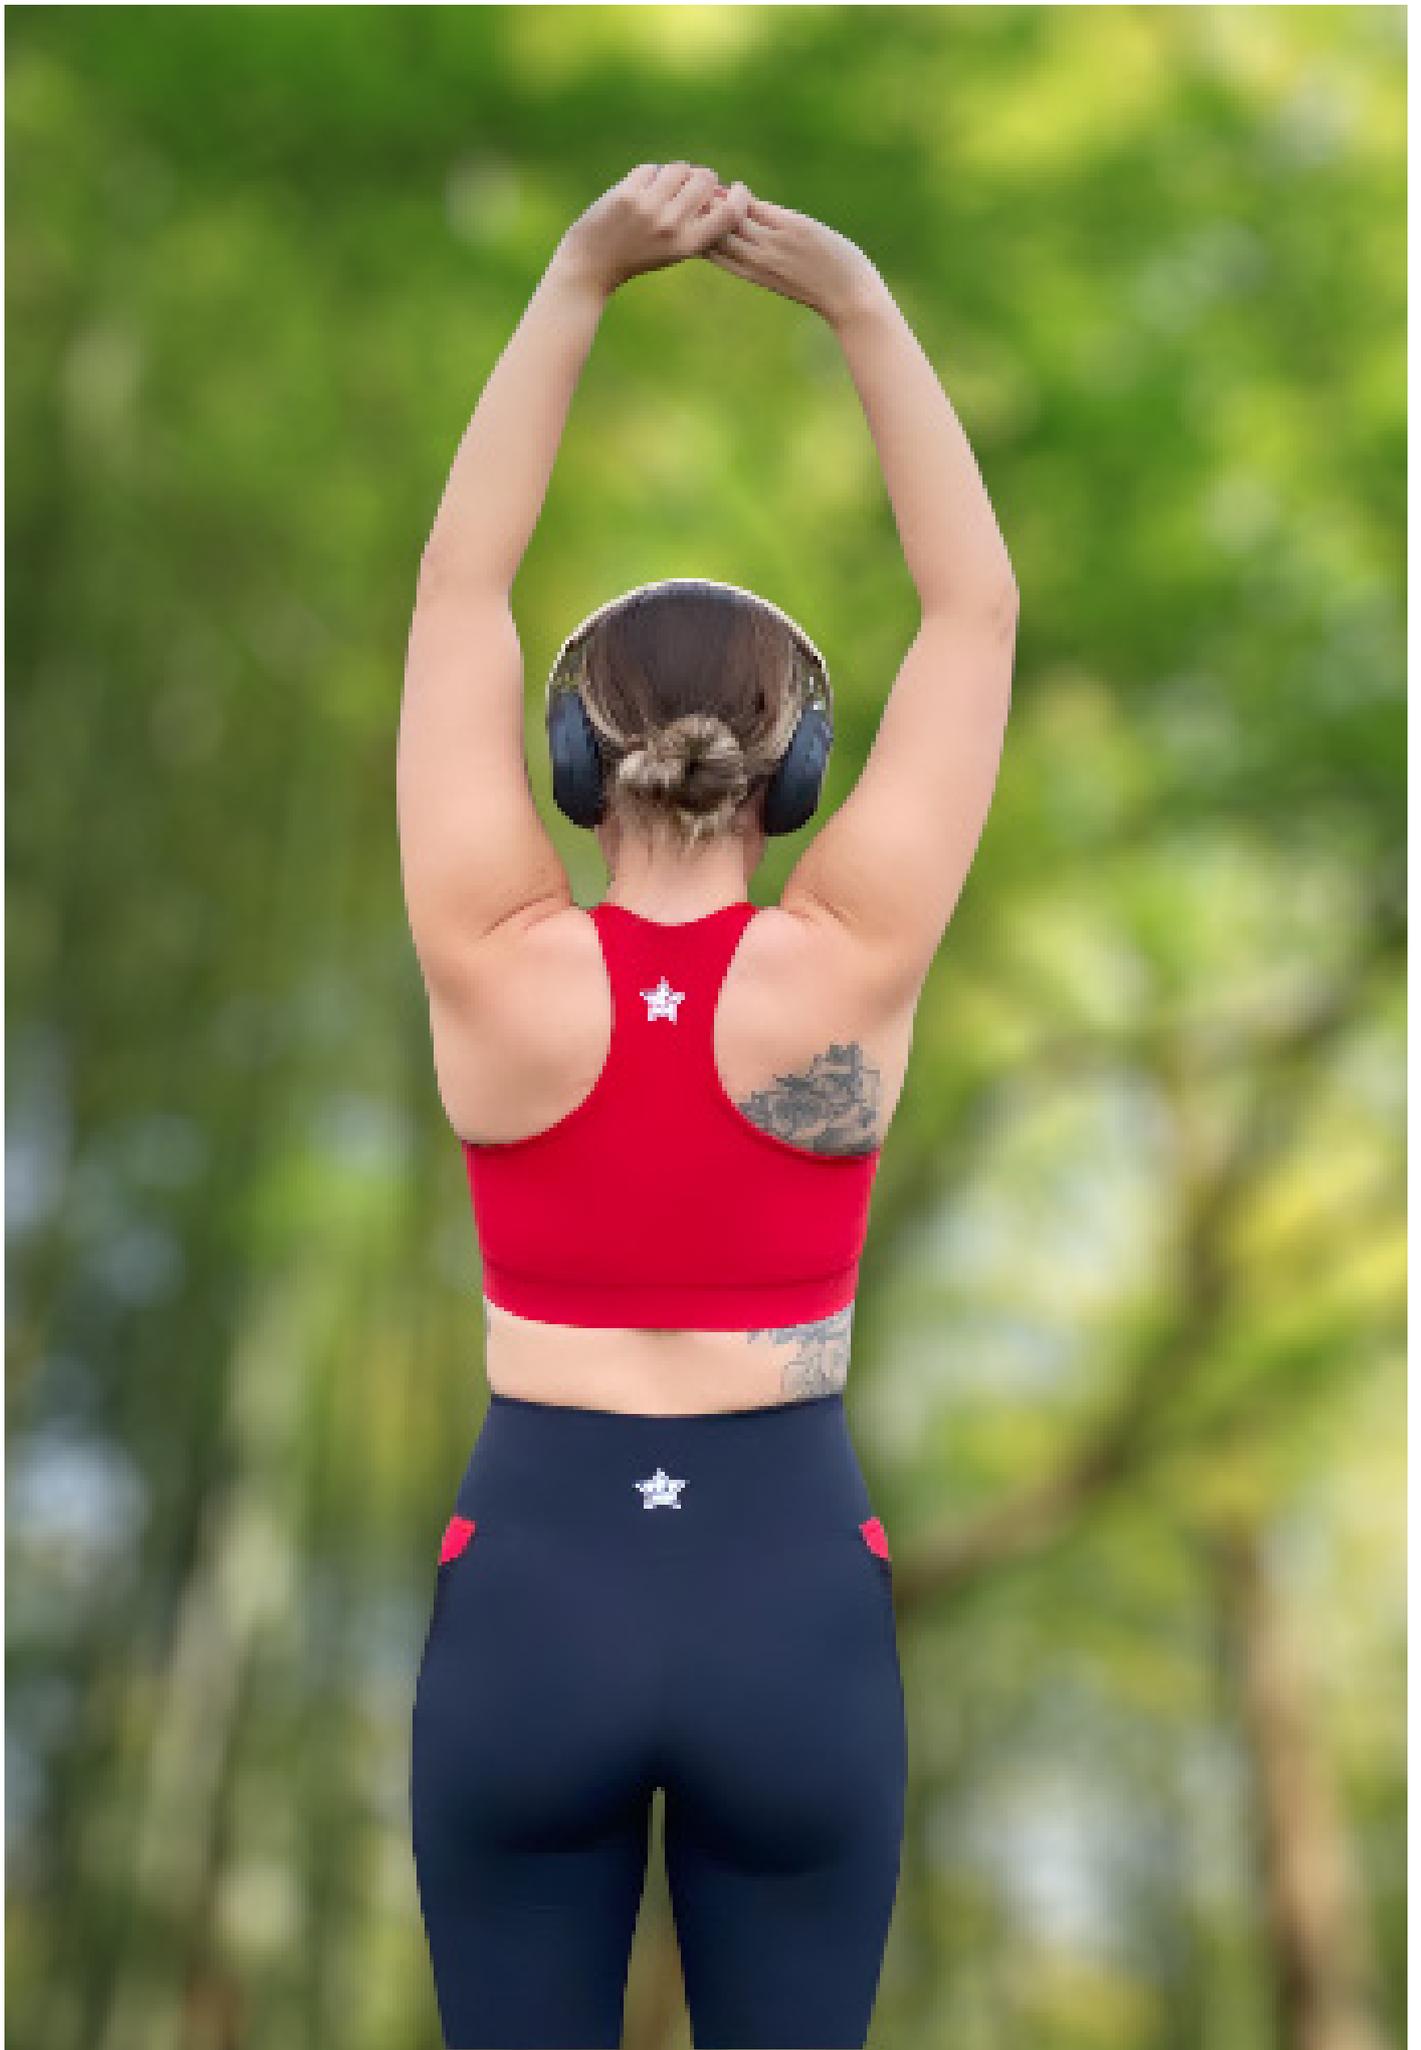

A woman with dark hair tied back, wearing large black headphones with a gold 'b' logo. She is wearing a red sports top and black leggings. She is standing outdoors with her hands on her hips, looking off to the side. The background is a blurred outdoor setting with trees and a path.

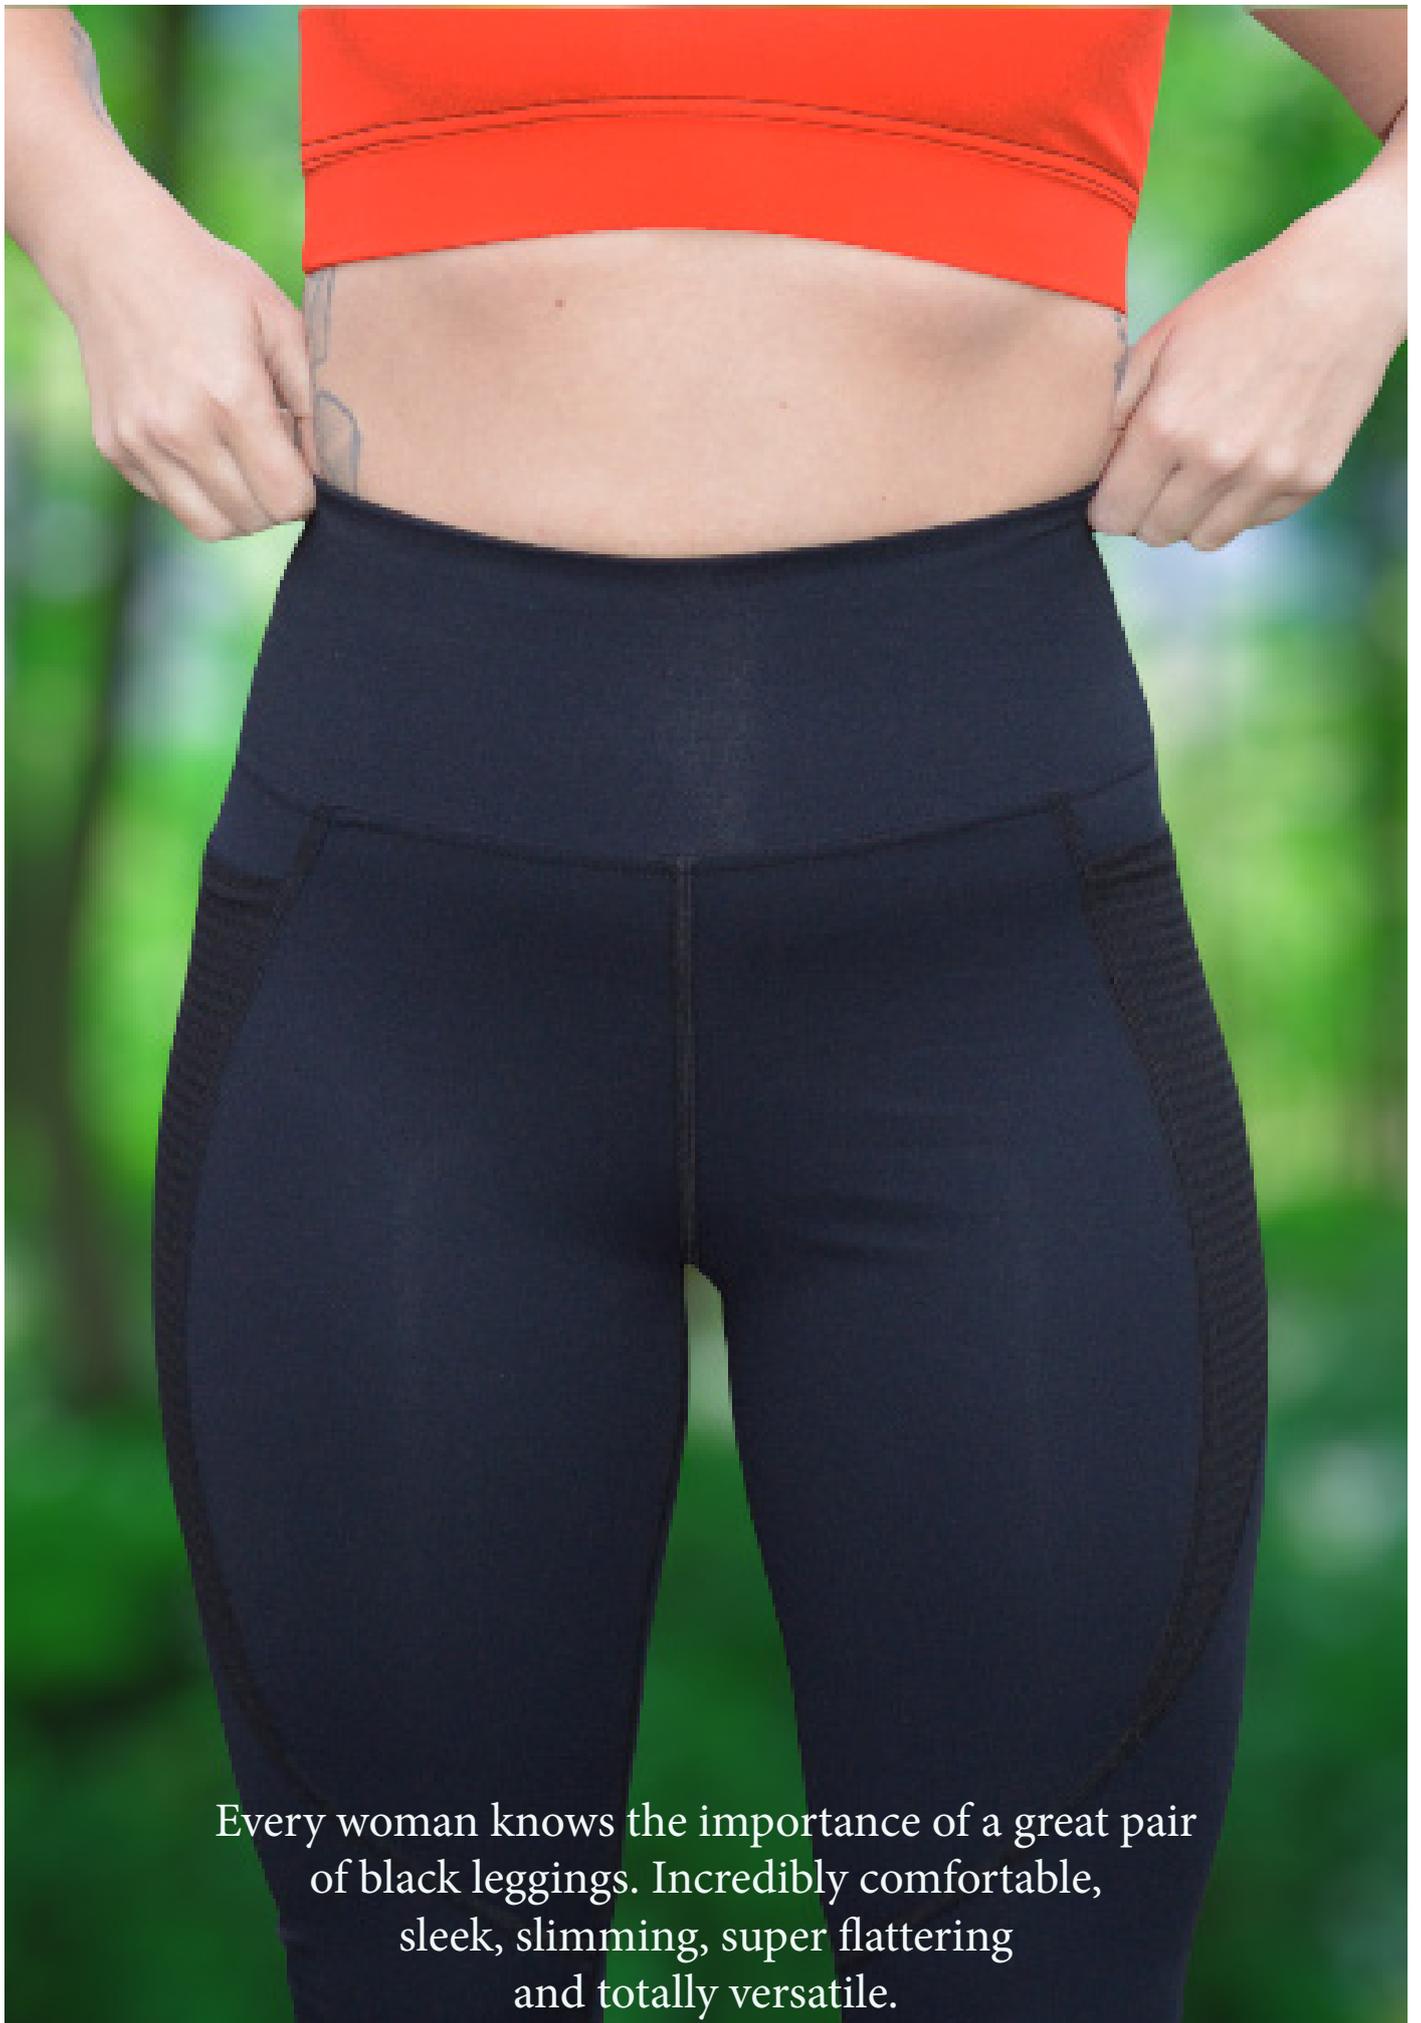

Designed to skim the body and create a second skin quality. Lola Starr's technical leggings have been crafted in the softest Italian sustainable fabric, giving you support and fabric coverage in the areas you need it most. With their high waist they are designed to shape, support and enhanced your silhouette. Soft on the skin, compact and breathable, making it an ideal choice for all workout activities or leisure.

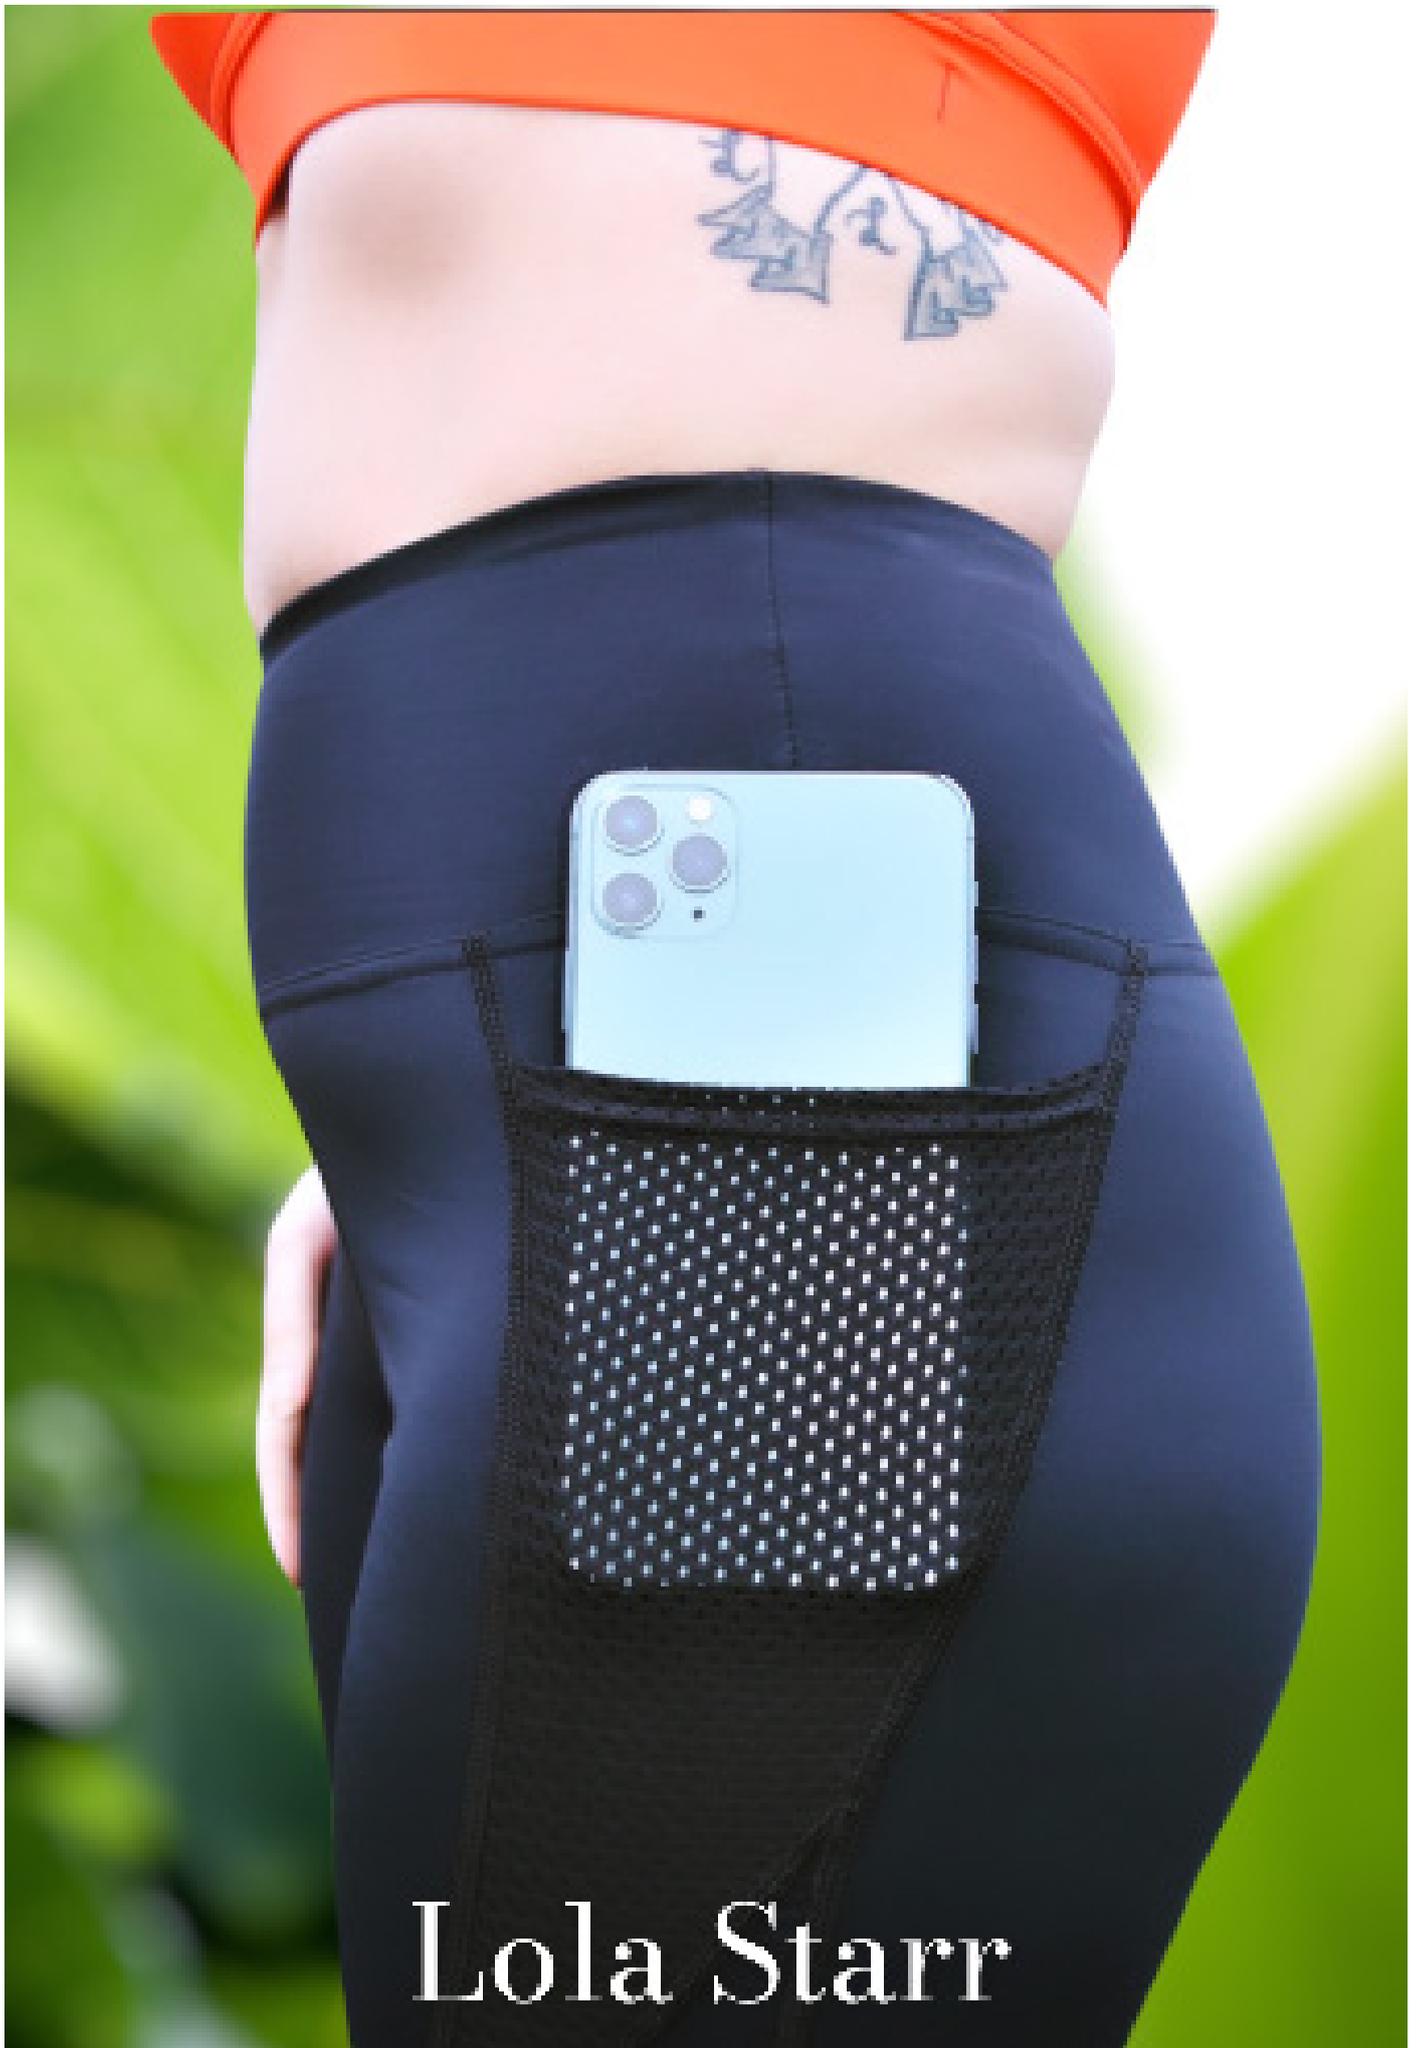

Reversible sports bra

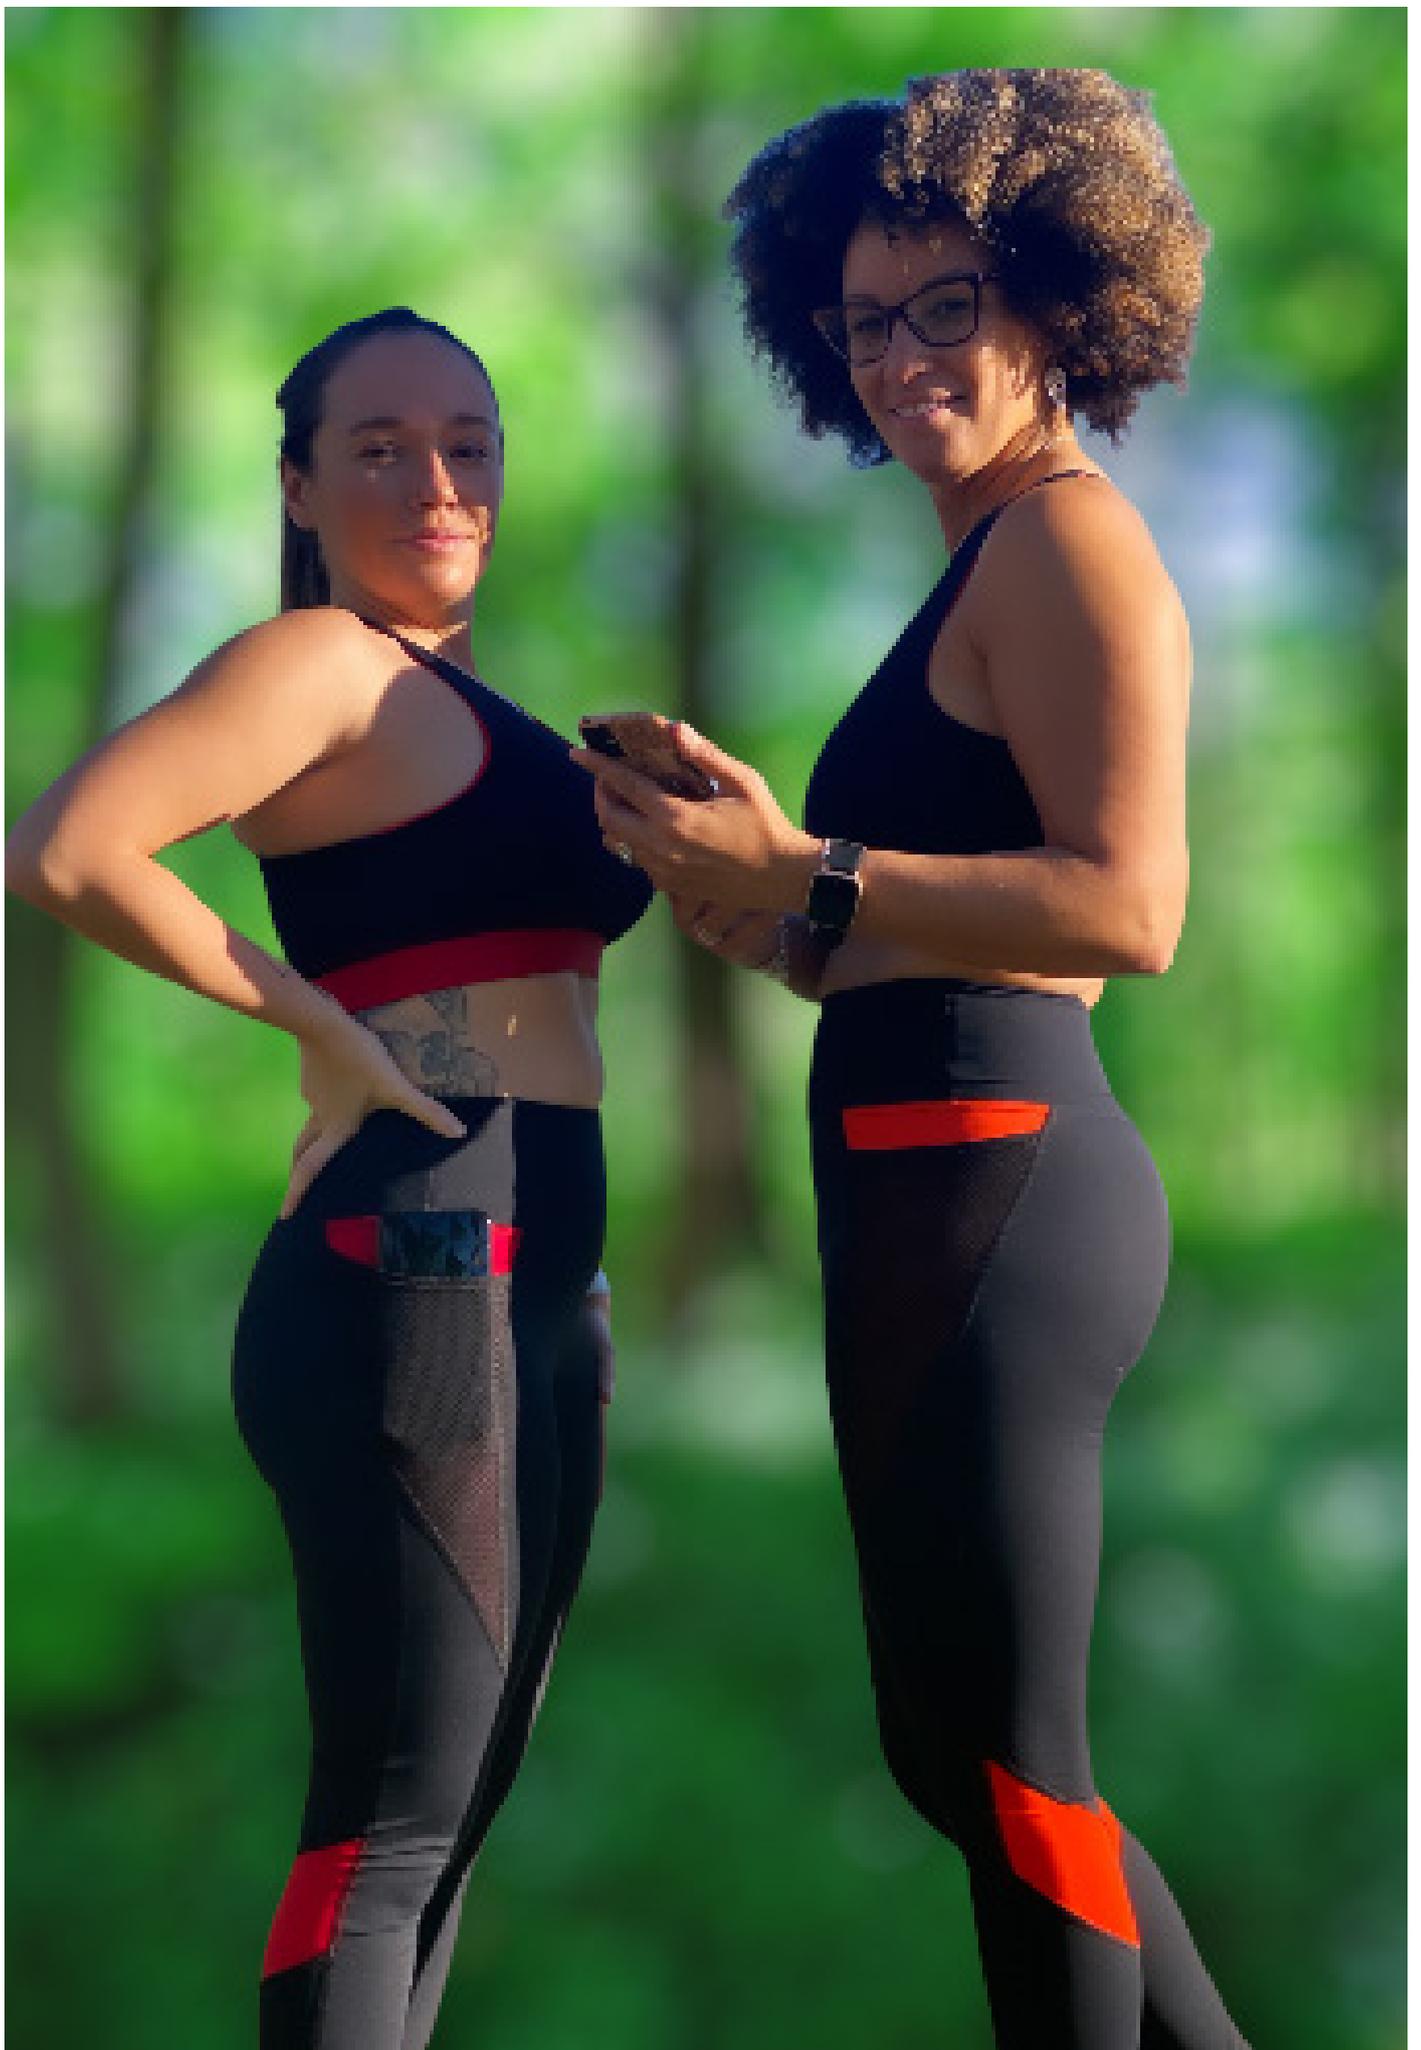

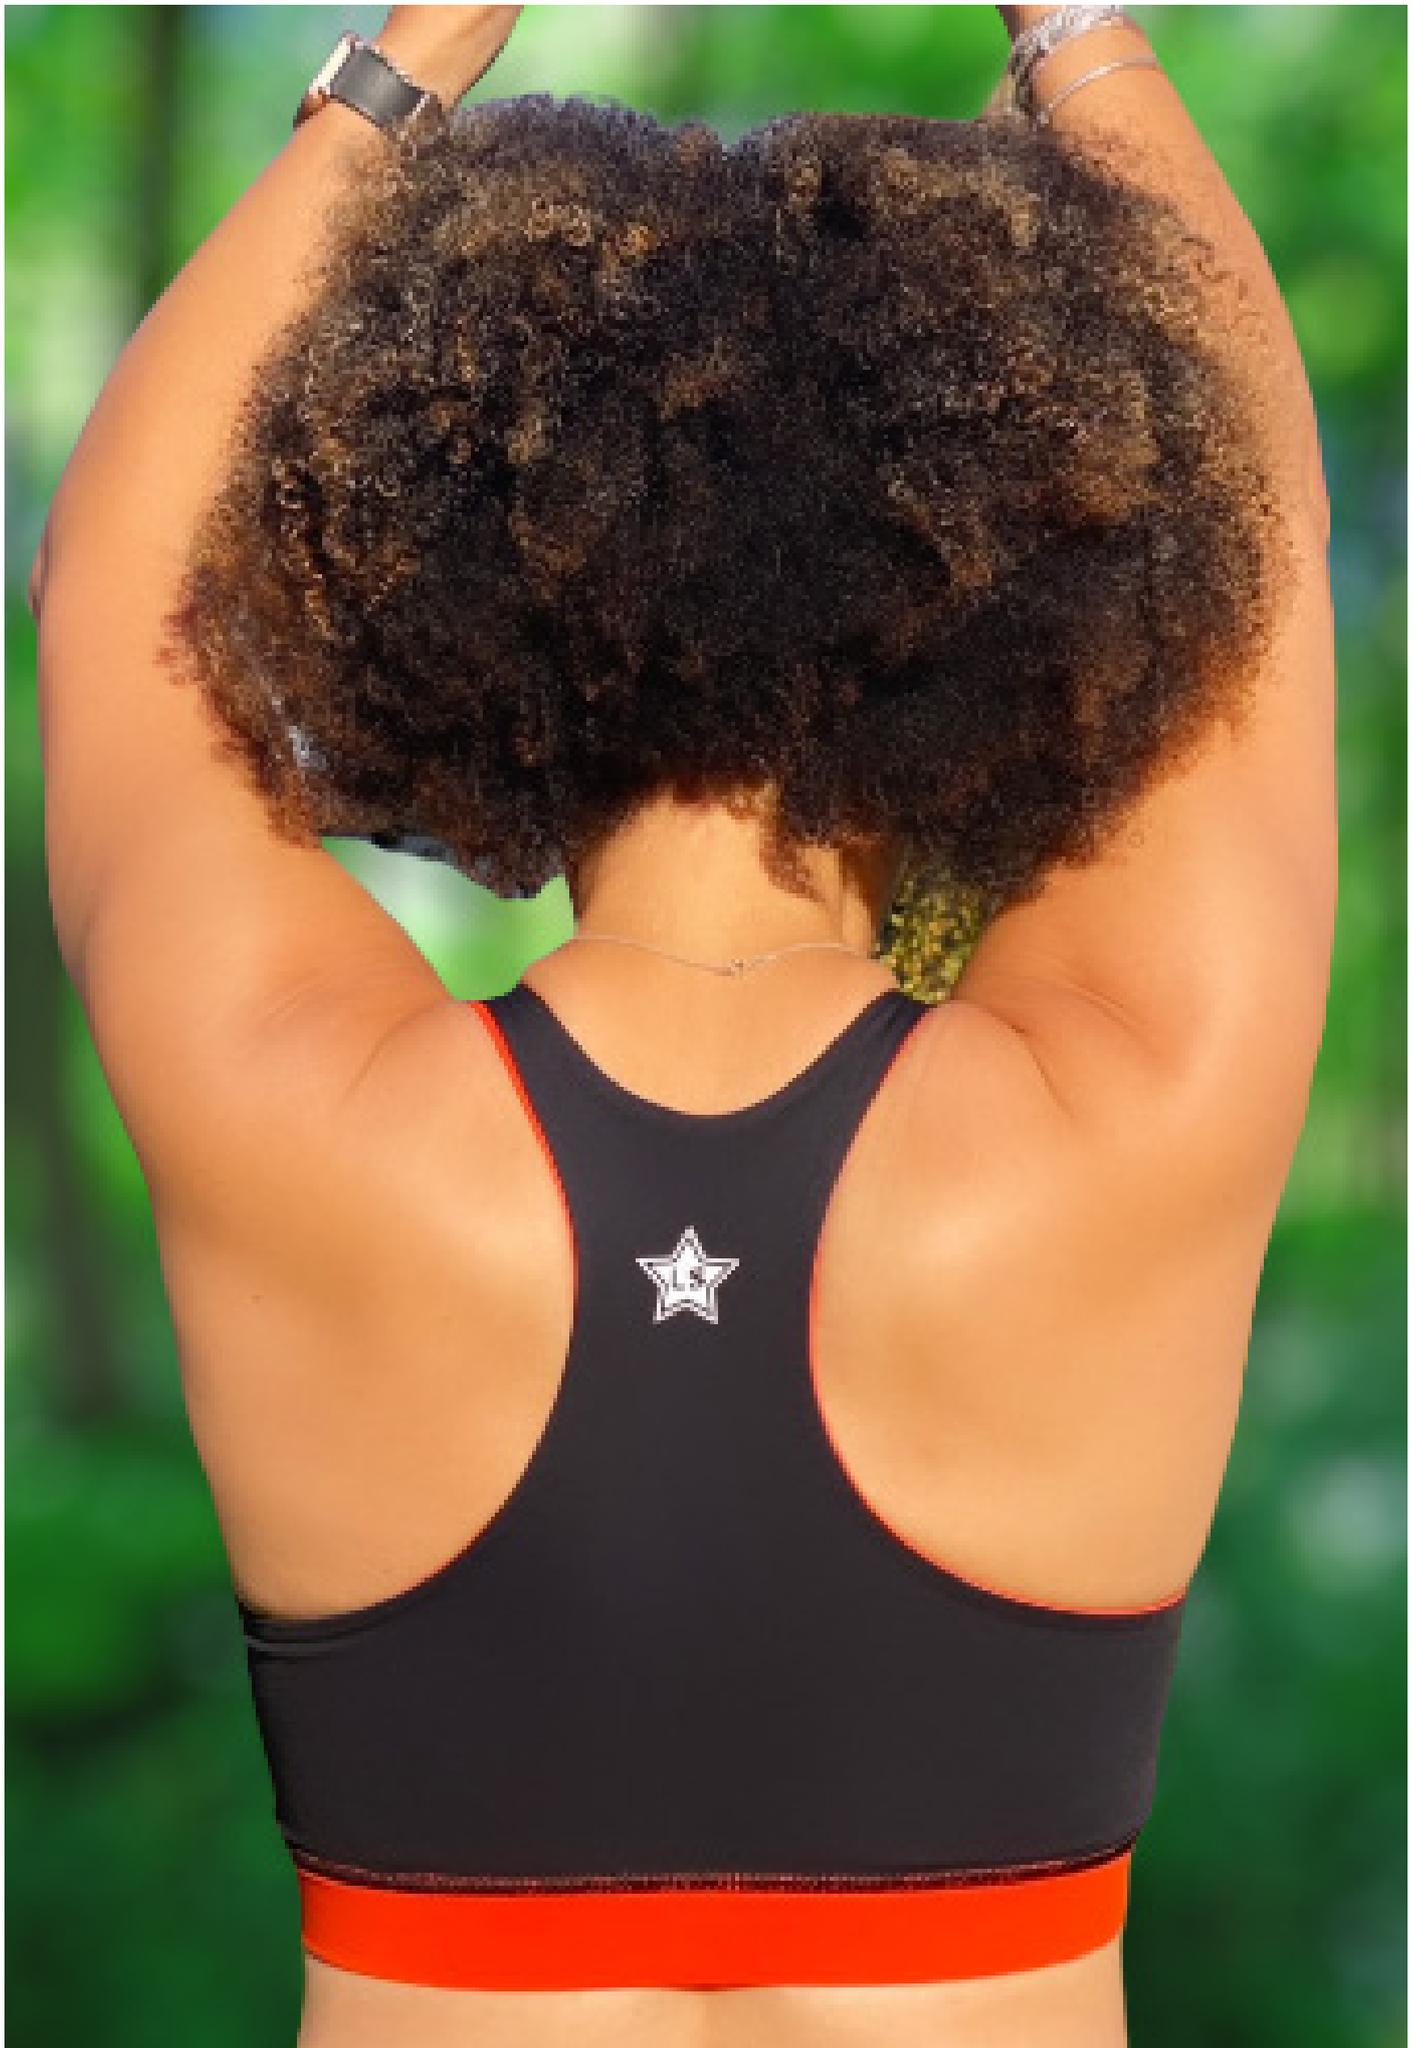

Every woman knows the importance of a great pair of black leggings. Incredibly comfortable, sleek, slimming, super flattering and totally versatile.

LOLA STARR

www.lolastarr.co.uk

LOLA STARR is a premium activewear brand designed with the environment and functionality in mind. Passionate about making women feel confident and enhance their natural shape, with high-waisted leggings, clever paneling, and ultra supportive fully reversible sports bras. A proud British brand that champions their local textile industry, crafted by a talented team of skilled designers, pattern cutters, and seamstresses. Made with the softest Italian sustainable fabric, it gives you support and coverage in the areas you need it most.

The collection is just as stylish as it is squat-proof. With vivid colourways they are designed to make a statement.

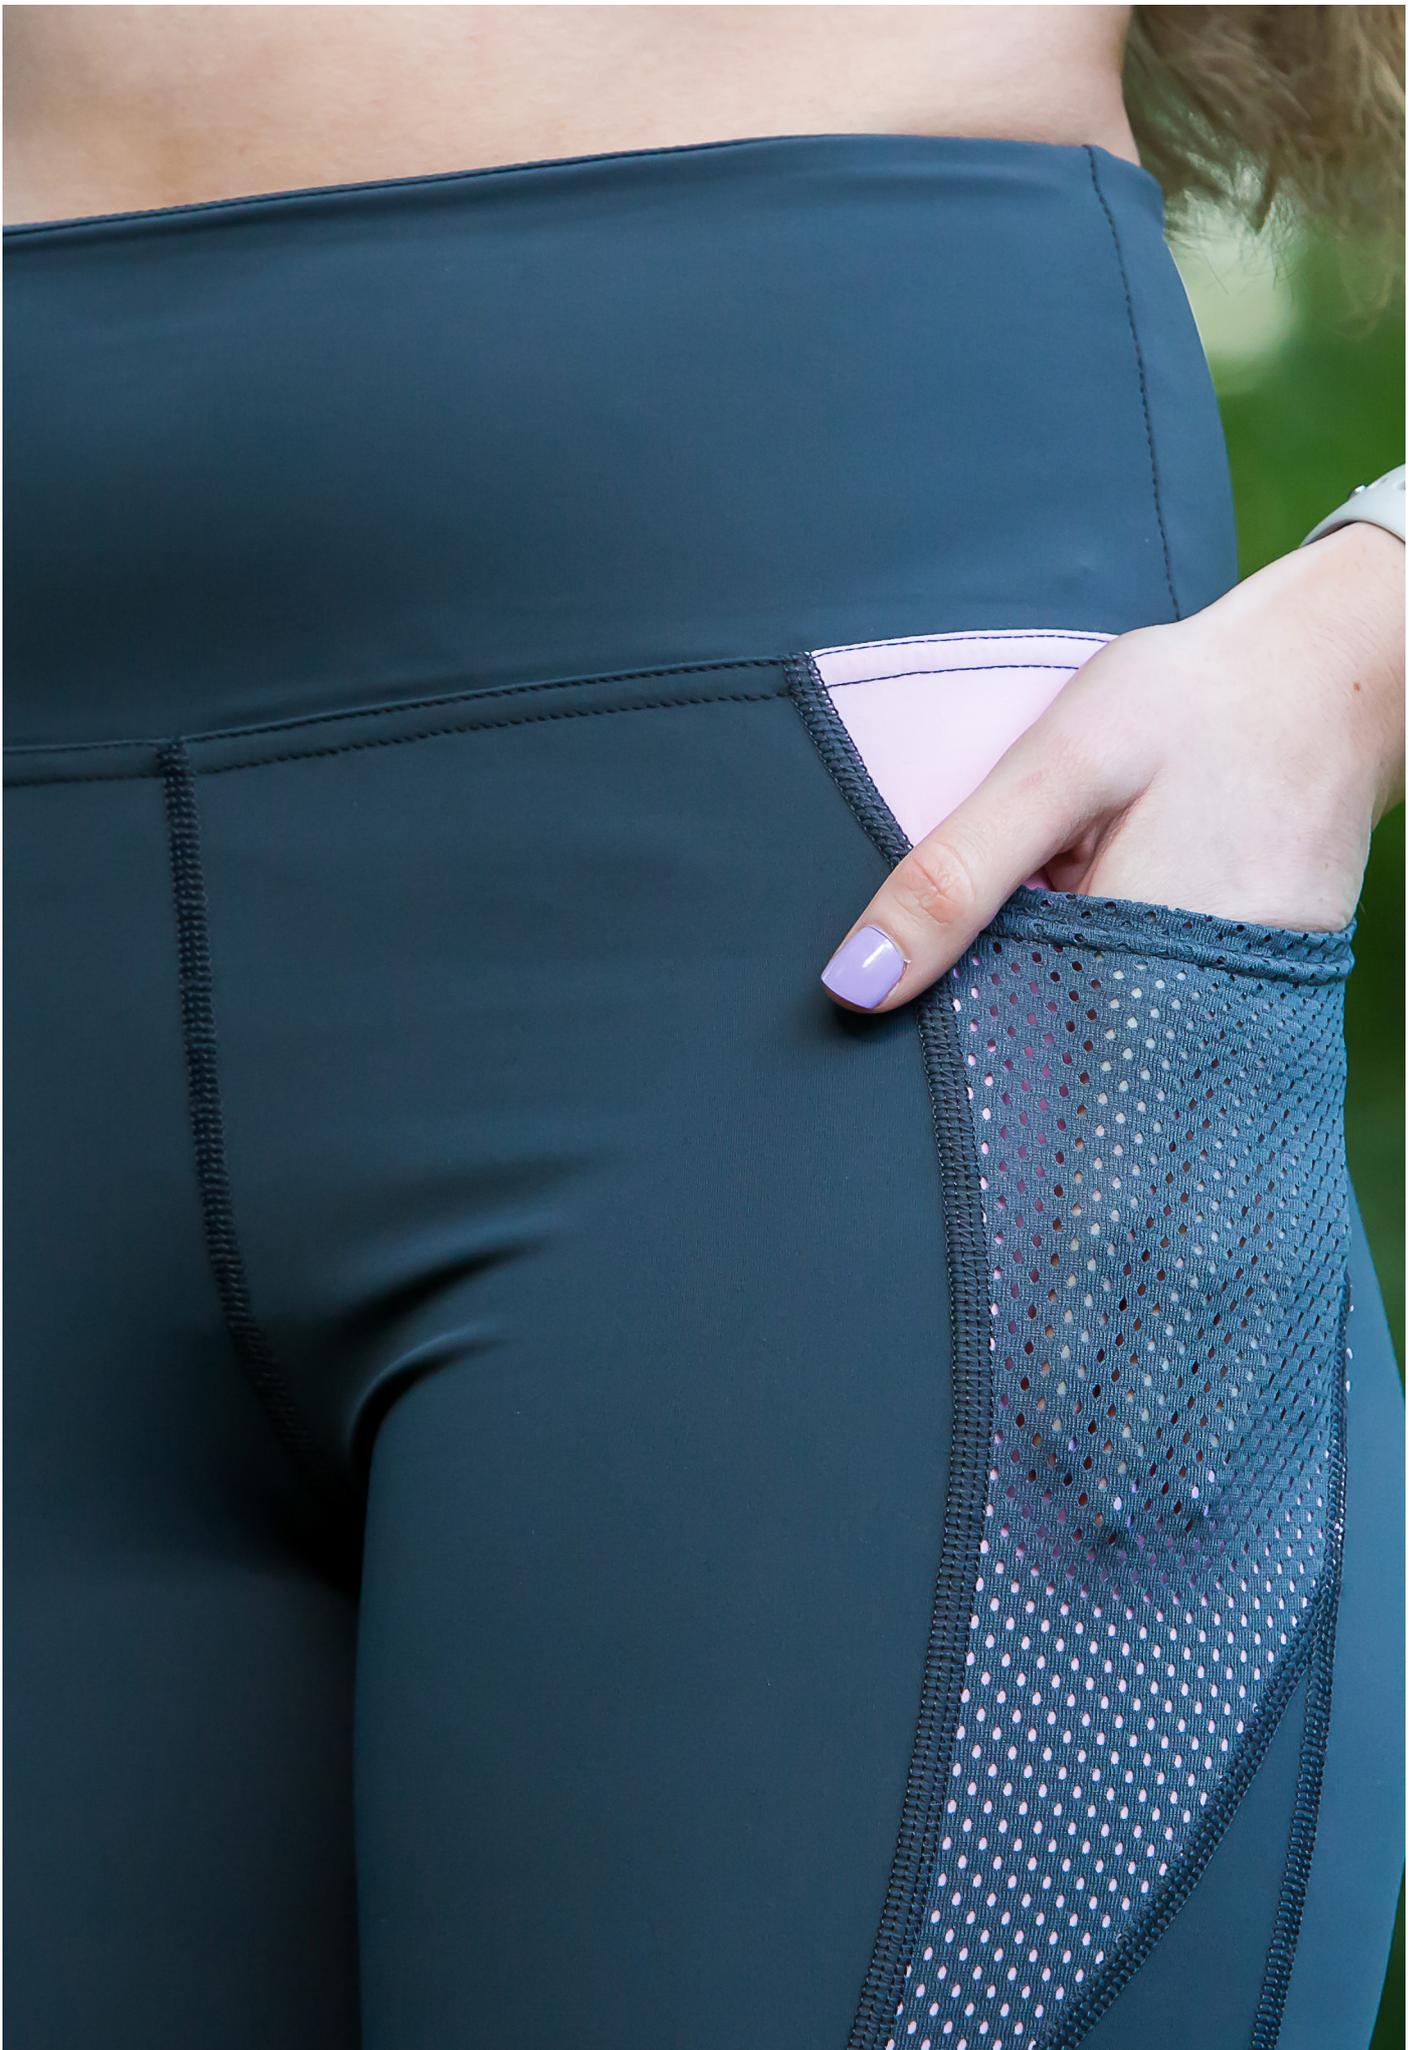

ACTIVE WOMAN

OUTDOOR WORKOUTS

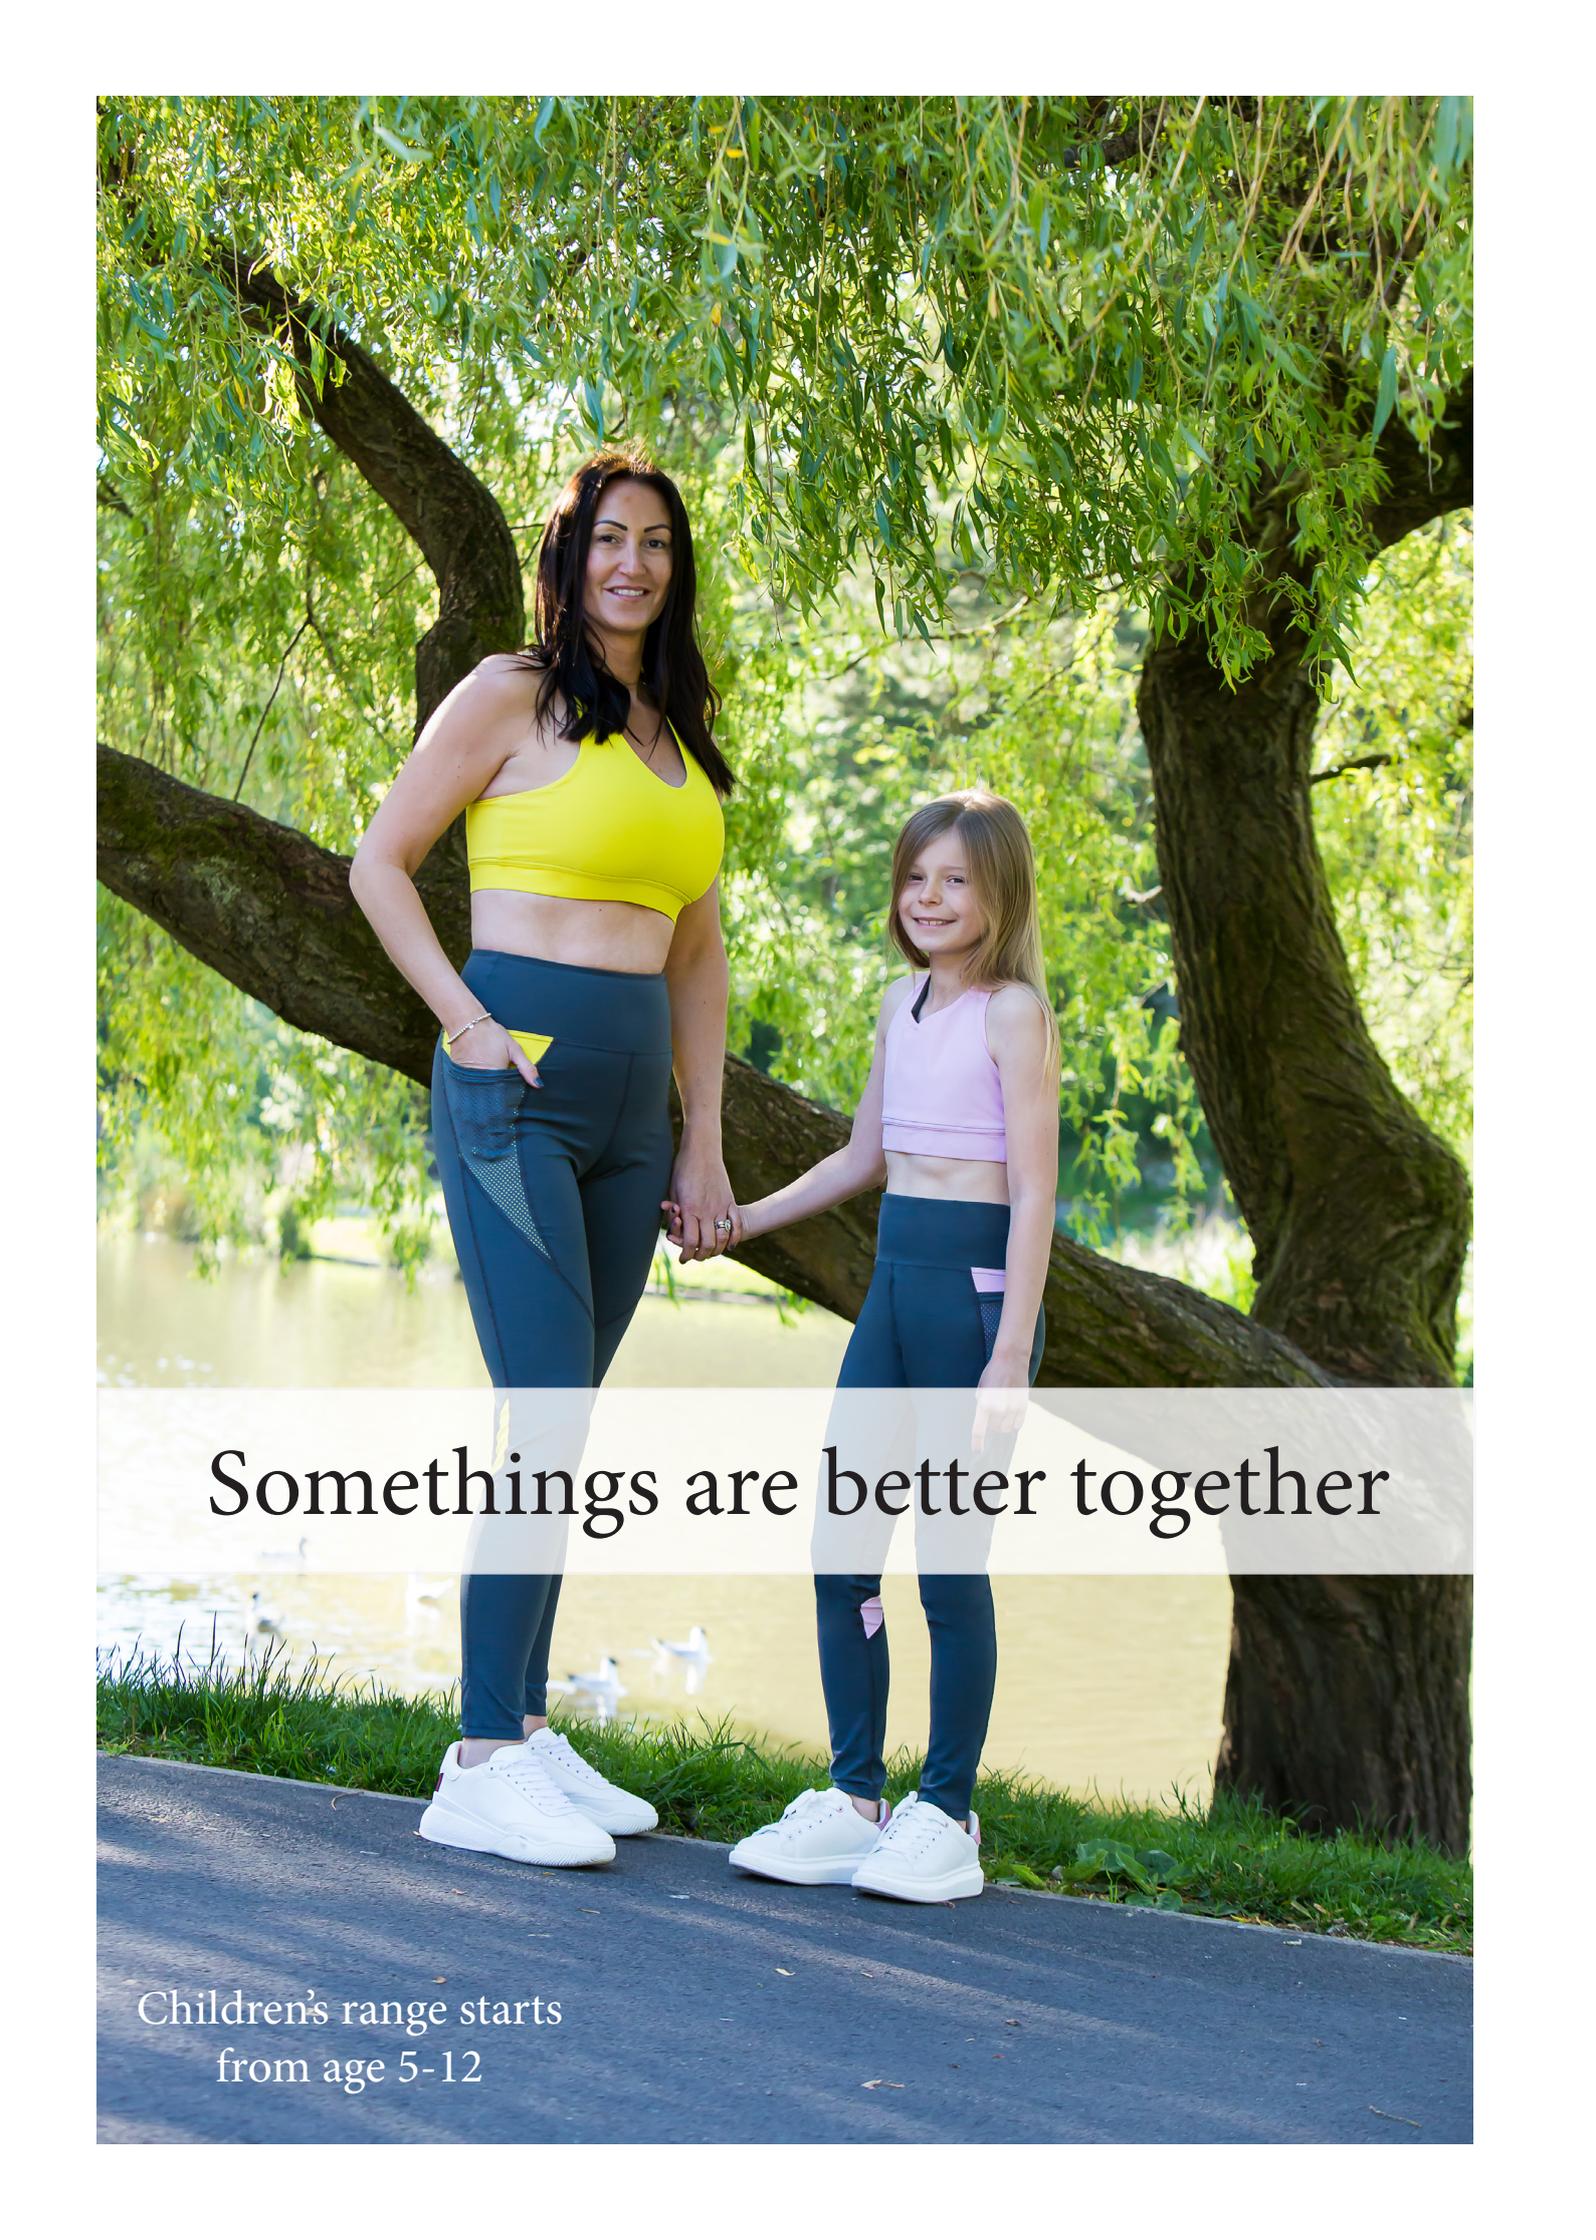

CHILDREN'S

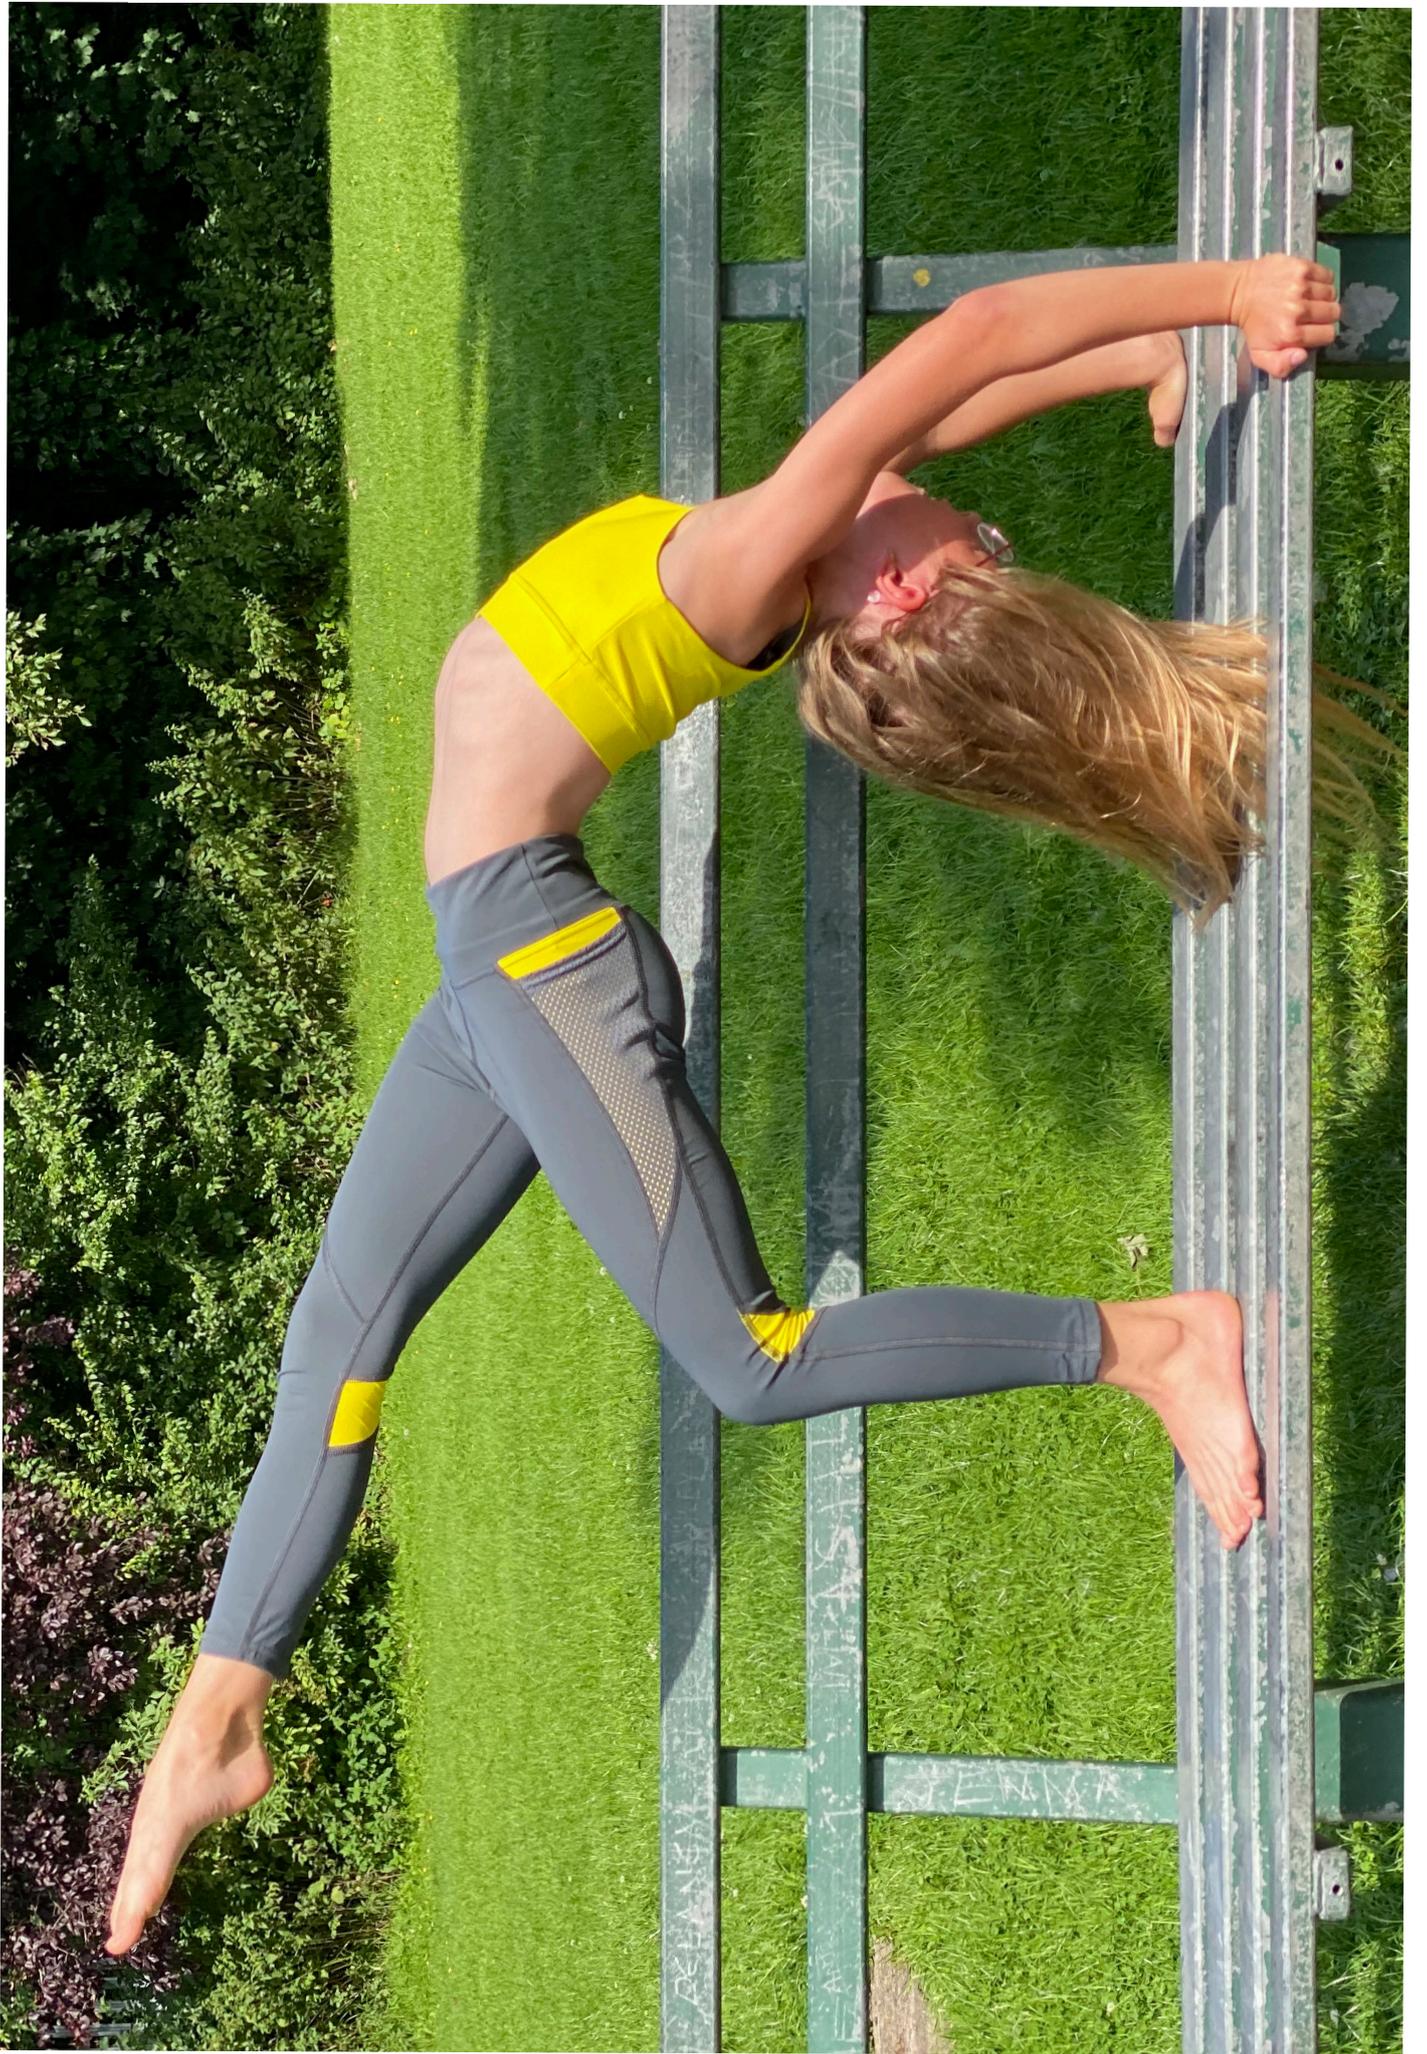

MINIME

A woman and a young girl are standing together outdoors, holding hands. The woman is wearing a bright yellow sports bra and dark teal leggings with a mesh pocket. The girl is wearing a light purple sports bra and matching dark teal leggings. They are both wearing white sneakers. They are standing on a paved path next to a grassy area and a body of water. A large, leafy tree is behind them, and several white birds are visible in the water. The scene is bright and sunny.

Some things are better together

Children's range starts
from age 5-12
